## ABOUT US

Founded in 1978 as Jain Metal Components, ISCON Group transitioned into the medical field in 1981 by manufacturing hypodermic needles for UNICEF. Our flagship company, ISCON Surgicals Ltd. (ISL), was established in 1993 and specializes in disposable medical devices, including needles, infusion sets, and ophthalmic instruments, marketed under the PRICON and PRISAFE brands.

ISL has a strong global presence, exporting to the U.S., U.K., Europe, and Asia. We are ISO 9001:2015, ISO 13485, CE, and WHO GMP certified, with manufacturing facilities in Jodhpur featuring over 150,000 sq. ft. of advanced cleanroom space. With a dedicated team of 450 skilled professionals, we prioritize quality and precision in all our products.
